Subject: The following NEW license plate(s) design is now available.

Please note:

- **These plates will be issued with random combinations of 3 letters and 3 numbers.**
- These plates can be ordered at the Sumter County Tag Office and the customer will pay the special tag fee of \$35 and a \$25 manufacturing fee, in addition to normal tag fees and ad valorem tax (if required).
- Once an order has placed with your County tag office, a TOP (Temporary Operating Permit/Temporary Tag) must be issued and the actual license plate (similar to the sample below) will be mailed to the vehicle owner directly (usually within 2 weeks).

The DOR plate webpage has been updated with the new design. If you have questions regarding the fees, or other information feel free to visit the DOR website at <http://dor.georgia.gov>

OR

Call your local Tag Office: **Sumter County (229) 928-4530** --- Have your DL # or tag # readily available.

NOTE: You do not have to be at your renewal time to order this new plate. Certain restrictions may apply.

The funds collected from the special tag fees support the:
Peace Officers' Annuity & Benefit Fund (POAB)

The original idea for this special tag was initiated and devised in Sumter County.
